ITEM

Consideration Of An Amendment To The Los Angeles Area Integrated Waste Management Authority To Add The City Of Hermosa Beach As A Member To The Regional Agency Agreement (LARA)

I. ISSUE/PROBLEM STATEMENT

The Los Angeles Area Integrated Waste Management Authority Regional Agency (LARA) is requesting to amend its Regional Agency formation agreement to include as a new member, the City of Hermosa Beach (City).

II. ITEM HISTORY

This is the first time this item is coming before the Board.

III. OPTIONS FOR THE BOARD

1. The Board may approve the LARA amendment to the Regional Agency formation agreement as written.
2. The Board may approve the amendment to the Regional Agency formation agreement between the LARA and the City and require the agreement approval be conditioned with a requirement that program activities specified in the Board authorized Compliance Order to the City must be completed and fully implemented.
3. The Board may deny the request to adopt the amended Regional Agency formation agreement.
4. The Board may direct staff to analyze additional information as determined by the Board, and provide a revised recommendation at a future Board meeting.

IV. STAFF RECOMMENDATION

Board staff recommends the Board approve Option 2 - Board authorization of this amendment to the Regional Agency formation agreement conditioned with a requirement that program activities specified in the Board authorized Compliance Order IWMA BR04-05 to the City must be completed and fully implemented.

V. ANALYSIS

A. Key Issues and Findings

In a letter dated January 30, 2003, the City of Los Angeles announced the formation of a Joint Powers Authority (JPA) and requested Board staff to prepare an agenda item for the Board to consider approving the Regional Agency. The agreement was entered into by the cities of Artesia, Beverly Hills, Duarte, Hidden Hills, Los Angeles, Lynwood, Manhattan Beach, Pomona, Rancho Palos Verdes, Redondo Beach, Rosemead, Sierra Madre, South Gate, and Torrance. The JPA was formed in order for these cities to submit a single Annual Report to the Integrated Waste Management Board on AB 939 requirements and to work towards the implementation of regional waste reduction and regional recycling diversion programs. The LARA JPA became effective and the Board approved it as a Regional Agency on January 13, 2004.

On January 13, 2005, the JPA members voted to allow the City of Hermosa Beach to join the JPA. On January 23, 2005, the LARA sent a letter to the Board requesting to amend the Regional Agency to include the City of Hermosa Beach as a member.

In agreeing to the JPA, all members have committed to being responsible for funding and/or implementing programs as adopted in their respective Source Reduction Recycling Elements and Household Hazardous Waste Elements.

On November 9, 2004, an item was considered by the Board regarding the City of Hermosa Beach's failure to meet requirements of its time extension and upon review of the City's Biennial Review findings the Board issued a Compliance Order IWMA BR04-05.

At the time this item was developed, Board staff was working with the City to develop a Local Assistance Plan required by the Compliance Order that describes a pathway for achieving diversion requirements. The Local Assistance Plan must be completed by February 28, 2005.

The LARA has a base year of 2000. The City of Hermosa Beach has a base year of 1998. The table below shows the LARA generation tonnage as approved by the Board in authorizing the formation of the Regional Agency, and the City of Hermosa Beach estimated reporting-year generation for 2000 using the Board's adjustment method calculation. Please note that 311 tons were also removed from the City's generation tonnage to reflect changes that were made to the City's generation as a result of AB2308 (inert facility adjustments). The proposed generation tonnage would be used in making future adjustments method calculations beginning in the 2005 reporting year for the Regional Agency. The City of Hermosa Beach will report independently of the Regional Agency for both the 2003 and 2004 Annual Reports.

Jurisdictions 2000 Tonnage	2000 Generation
LARA Base Year	10,949,809
Hermosa Beach Reporting Year	37,752
Proposed LARA Base Year	10,987,561

Staff has determined that the Board may approve the requested amendment to the Regional Agency as it has met the statutory requirements, through development of a joint powers agreement that includes all the statutorily required provisions, for the creation of a regional agency.

PRC section 40970, which describes Legislative Intent regarding the approval of Regional Agencies, provides that:

“...It is not the intent of the Legislature in enacting this article to diminish the responsibility of individual cities and counties to implement source reduction, recycling, and composting programs as required by this part...”

The City of Hermosa Beach's diversion rate in 2000 was 46 percent, and the preliminary diversion rates for 2001 and 2002 are 47 and 37 percent, respectively. The Regional Agency will submit its first Annual Report for 2003 but it will not include the City of

Hermosa Beach. The rate for the Regional Agency is expected to surpass 50 percent. In approving the Regional Agency, the Board placed conditions on the approval of the Regional Agency to require that program activities specified in Board approved time extensions and Compliance Orders continue to be implemented by all member jurisdictions of LARA. These conditions provide additional clarity of the Board's expectations that member jurisdictions maintain effective diversion programs. Staff's recommendation for the approval of this amendment to the Regional Agency to include the City of Hermosa Beach as a member is consistent with the conditions set by the Board.

B. Environmental Issues

Based on available information, staff is not aware of any environmental issues related to this item.

C. Program/Long Term Impacts

The Board encourages regional agency formation and the expansion of the LARA will improve programs and program results for the jurisdictions.

D. Stakeholder Impacts

Approving the Regional Agency creates a structure for local coordination in reporting and program implementation activities.

E. Fiscal Impacts

No fiscal impact to the Board results from this item.

F. Legal Issues

This item represents the process for implementing PRC Section 40970 that allows jurisdictions to form regional agencies for the purpose of meeting the mandates of the Integrated Waste Management Act (i.e. AB 939). The agreement between the LARA and the City is both a JPA and a regional agency formation agreement, and was reviewed by Board staff and legal counsel and found to be complete (see Attachment 1).

G. Environmental Justice

2000 Census Data – Demographics for LARA						
% White	% Hispanic	% Black	% Native American	% Asian	% Pacific Islander	% Other
30.5%	45.8	10.0%	.24%	10.8%	.14%	2.6%

Economic data for the LARA could not be readily calculated. Since the City of Los Angeles, a JPA member, maintains 82% of the population within the boundaries of the entire proposed LARA, the City of Los Angeles data will be used to indicate economic data for the consideration of this item.

2000 Census Data – Economic Data for City of Los Angeles		
Median annual income*	Mean (average) income*	% Individuals below poverty level
36,680	48,276	22%

*Per Household

- **Environmental Justice Issues.** According to the JPA representative, the member jurisdictions are not aware of any environmental justice issues in their communities related to solid waste management.
- **Efforts at Environmental Justice Outreach.** Member jurisdictions use newsletters, cable ads, street banners, guidebooks and web based information to promote recycling to residential and commercial sectors. Some handouts are provided in Spanish and Chinese. In some cases, LARA will target specific neighborhoods. The goals are to enhance awareness of the need for waste reduction and recycling and to reach as many communities as possible. The LARA may be involved in community fairs and provide information on waste reduction and recycling to residents and businesses.
- **Project Benefits.** A regional agency creates a structure that has the potential to improve local coordination in reporting and program implementation activities that can include efforts to improve communication and services to all citizens and businesses located within the jurisdictions of LARA members.

H. 2001 Strategic Plan

Goal 2, Objective 3 – Support local jurisdictions’ ability to reach and maintain California’s waste diversion mandates.

Strategy C – Facilitate cooperation efforts among State, local and private entities to lower cost of diversion and increase benefit to local jurisdictions.

VI. FUNDING INFORMATION

This item does not require any Board fiscal action.

Furthermore, in no event shall the Agency be authorized to exercise any power not expressly granted by this Agreement. The Members hereby designate the City of Los Angeles as the Member required to be designated by Section 6509 of the California Government Code.

Any modification to this basis for determining responsibility for any civil penalties will be codified in the operating by-laws.

Los Angeles Regional Agency

A Southern California Waste Management Authority

LARA

January 26, 2005

Ms. Rosario Marin, Board Chair
California Integrated Waste Management Board
1001 "T" Street
Sacramento, CA 95814

Dear Ms. Marin:

Re: Request to Add One More Member to the Los Angeles Regional Agency (LARA)

It has been one year this month that the CIWMB approved the formation of the City of Los Angeles Regional Agency. It is an organization of 14 cities that work cooperatively to meet our AB 939 goals on a regional basis.

On January 13, 2005, LARA members voted to allow one additional local city to join LARA. The new member is the City of Hermosa Beach. We think this will be a good addition to the local regional effort in achieving our recycling goals. The addition of Hermosa Beach creates a 'block' of cities that are closely located, which makes serving the membership more efficient.

We request CIWMB to place us on the next available Board agenda for consideration to amend our LARA agency to add the City of Hermosa Beach. Our membership would increase from fourteen to fifteen cities. Attached are the approved JPA from Hermosa Beach (with signatures) as an amendment to Appendix A of the LARA JPA. Also attached are the signed minutes of the January 13th LARA Special Meeting. We look forward to working with you and your staff on this request.

If you have any questions, please call me at (213) 473-8242.

Sincerely,

Ms. Karen Coca
LARA Executive Director
City of Los Angeles

IV. CONSIDERATION OF HERMOSA BEACH AS A LARA MEMBER

Karen Coca opened the discussion by explaining the request by the City of Hermosa Beach to be added as a new LARA member. All LARA members were previously mailed an information package providing detailed information supplied by the City of Hermosa Beach on their recycling programs and status with the CIWMB. A discussion ensued on the pros and cons of allowing a new LARA member. Mr. Sol Blumenfeld, Director of Community Development for the City of Hermosa Beach, spoke for the City. He explained the specifics of the City of Hermosa recycling programs and plans.

After considering various options and suggestions by LARA members, a vote was taken with two (2) voting against and seven (7) voting for the City of Hermosa Beach being allowed to join LARA. LARA members approved the motion to allow the City of Hermosa Beach to become a LARA member. The CIWMB must now be petitioned by LARA to allow for the addition of the new LARA member.

Resolution 2005-65 (Revised)

Consideration Of An Amendment To The Los Angeles Area Integrated Waste Management Authority To Add The City Of Hermosa Beach As A Member To The Regional Agency Agreement (LARA)

WHEREAS, Public Resources Code (PRC) Section 40970 authorizes Cities and Counties to form regional agencies to implement the requirements of PRC 40900 et seq. in order to reduce the cost of reporting and tracking of disposal and diversion programs by individual Cities and Counties and to increase the diversion of solid waste from disposal facilities; and

WHEREAS, PRC Section 40975(a) requires any agreement forming a regional agency to be submitted to the Board for review and approval; and

WHEREAS, PRC Section 40975(b) requires the agreement to contain (1) a listing of the cities and counties which are member agencies of the regional agency, including the name and address of the regional agency; (2) a description of the method by which any civil penalties will be allocated among the member agencies; (3) a contingency plan which shows how each member agency will comply with the requirements in the event that the regional agency is abolished; (4) a description of the duties and responsibilities of each city or county which is a member agency of the regional agency; and (5) a description of source reduction, recycling, and composting programs to be implemented by the regional agencies; and

WHEREAS, the Los Angeles Integrated Waste Management Authority (LARA) amended its Regional Agency Formation Agreement to add the City of Hermosa Beach; and

WHEREAS, all member agencies have approved and adopted the amended Regional Agency Formation Agreement and submitted it to the Board for review; and

WHEREAS, based on the review, Board staff found that the agreement substantially complies with PRC Section 40975 and recommends approval of the amendment to the LARA Regional Agency; and

WHEREAS, the regional agency is on Compliance Order ~~IWMA-BR04-05~~ IWMA 04-01 with two members (Lynwood and Torrance) on Compliance Order and the new proposed member, City of Hermosa Beach is on Compliance Order; and

(over)

WHEREAS, PRC Section 40970 provides that it is not the intent of the Legislature in allowing the Regional Agency Formation to “diminish the responsibility of individual cities and counties to implement source reduction, recycling and composting programs as required...”;

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approves the amended Regional Agency Agreement for the LARA, with the condition that program activities specified in the City of Hermosa Beach’s Compliance Order IWMA BR04-05 and Local Assistance Plan be implemented.
